

Tax Credit Donation

or

How to redirect your tax dollars to support Desert Sky

As an Arizona taxpayer, you have a unique opportunity with the *Arizona Public School Tax Credit* to support Desert Sky at no cost to you, just by redirecting some of the state income tax you have to pay anyway. As a dollar-for-dollar credit against state income taxes, not a deduction, it literally costs you \$0. How cool is that!

How much tax liability do I have?

Ask your tax preparer, or look at your state tax form 140. From your 'taxable income' (line 45) calculate the amount of tax (line 46). You report your tax credit donation to a public school (Desert Sky!) on form 301 which is deducted from the amount of tax! Single filers can claim \$200, and married filing jointly can claim \$400. Our charter district number is #108732101.

Why donate to Desert Sky?

Please help support the wonderful educational opportunities offered to all children at Desert Sky Community School, Tucson's only tuition-free charter school guided by the [principles of public Waldorf education](#). Tax credit donations support gardening, handwork, foreign languages, violin and music experiences! We are grateful that tax credit donations can also now be used for campus construction and school lunch fees. Your tax

credit donations, and those of your family members, friends, colleagues, neighbors, and faith community members help the school maintain and expand its well-rounded educational programming.

It's easy to donate by check, credit, or cash!

Use a **CREDIT CARD ONLINE** at the [Square link](#) (see school website). Square will send you a receipt for your transaction.

To make a **CREDIT CARD** payment at the Front Office, please visit 8:30a - 2:30p on school days.

To use **ZELLE**, contact Shelly at (520) 444-9343.

Bring or mail a **CHECK** to DSCS, 1350 N Arcadia Avenue, Tucson, AZ 85712
Your canceled check is your receipt to show your tax preparer.

To donate **CASH**, contact Shelly Adrian or visit the Front Office during school.
